

Listening to People

Short version of the minutes from the meeting held on 15th October 2019 at Walkden Gateway.

Greater Manchester Confirm and Challenge Group

Sean goes to a meeting that looks at what each town or city in Greater Manchester is doing to make the things in the 'Greater Manchester Learning Disability Strategy' happen.

Linzi said she can support another person to go to that meeting if they want to. There are 4 meetings a year.

More than one person said they were interested so we will need to do a vote next time.

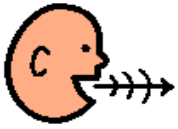

This group is meeting on Thursday and they will be talking about transport so Sean asked you to say what you think about transport so he can represent you at that meeting.

What is said at the meeting will feed into the Greater Manchester mayor, Andy Burnham, transport plan.

Does anybody want to say anything else?

Linzi said that the bereavement card you helped design is nearly ready. Alexandra House art group painted some butterflies and the person's Mum has helped us with the design too.

Don't forget The Big Health day next Tuesday.
